Got your vm and your email message:

My entire on the record comment is below. You only have permission and authority to run the entire comment and that would include the disclaimer at the bottom and on all emails about what to do with an email that is not intended for your receipt.

On the record comment about stolen emails and NMFOG:

Is the SF Reporter policy of recording telephone calls without permission or knowledge (contrary to SPJ ethics) applicable to your calls with Corwin, Monahan, Forrester, Cornelius, Haussamen and all other Democrats? Or, is it a policy just for non-Democrats? Do you have those recordings of the Democrats, at this time? And, as to the NMFOG resignation, res ipsa loquitur.
